MILK'S DONATION DRAW

RAIN did not deter 150 volunteers from reaching out to passers-by at the launch of the Mainly I Love Kids (Milk) donation draw at Wisma Atria yesterday.

Milk, a charity organisation, looks out for children from troubled families, suffer chronic illnesses or are physically challenged.

It hopes to raise \$1 million from the draw, lasting till February next year.

Every \$2 donation ticket allows donors a chance to win prizes like a Subaru R2 or two tickets to London.

For more details on the draw, visit www.milkdonationdraw.sg.
