SPIN ON CHARITY

To raise funds for charity, corporate leaders will

make a wheelchair dash on July 3.

Out for a practice run along Jiak Kim Street yesterday were (clockwise from front right) SUTL chief executive officer Arthur Tay, Frontline Tech CEO Steve Ting, Walden International CEO Chua Kee Lock and SMRT executive vice-president Yeo Meng Hin.

Minister of State for Trade and Industry Heng Chee How will also take part in the CEO Chase. Proceeds go to Beyond Social Services, which works to curb delinquent behaviour in youths.
