A fund-raising dinner organised by The Peak and Mainly 2 Love Kids (MLK) was held with the purpose of giving aid to disadvantaged children in places such as East Timor, the Philippines and Fujian Province in China.

During the dinner, contribution pledges were made by individual guests. An auction of highly desirable items obtained by sponsors generated more money for the Milk cause. These items included a Cartier Trinity bag, a pair of Roger Federer outlinks, De Rocks Jewellery, a five-night stay at the Ritz Sentosa Hotel, two Cathay Pacific business-class return tickets to Hong Kong and more. The evening's top money raiser was a 'Dutch auction' five-dinner at the Istana with President and Mrs S R Nathan.

A group of beneficiary children sang for the guests. This was followed by enthusiastic vocal performances by a number of the VIP guests themselves, including Mr Mah Bow Tan, Minister for National Development, who dedicated the romantic song *L'Amour Me Fait Vivre* to his lovely wife, Mrs Sheryn Mah.

Thanks to the generosity of our kind donors, MLK was also able to distribute cash awards to individuals and groups for specific worthy causes. It is hoped that their work will serve as a charitable inspiration to others.

Donation handed over directly to the MLK Fund. Cartier was another generous donor. The donation from HSBC was gratefully received.
